

# Tips for Efficient Packing During Your Move

## PORCELAIN AND GLASSWARE

**Packing Material & Container:** Bubble wrap, packing paper; sturdy cardboard boxes, small-sized

**Packing Tips:** Wrap each item individually, do not overfill the box, label "Fragile"

## SILVER

**Packing Material & Container:** Soft cloth, anti-tarnish paper; small boxes, padded bags

**Packing Tips:** Wrap each piece separately, avoid scratches

## FIGURINES AND DELICATE ITEMS

**Packing Material & Container:** Bubble wrap, cloth, foam; boxes with dividers, small-sized

**Packing Tips:** Protect protruding parts, transport the most valuable items separately

## LARGE HOUSEHOLD APPLIANCES

**Packing Material & Container:** Air bubble wrap, strong tape; original boxes or sturdy cardboard boxes

**Packing Tips:** Drain liquids, secure doors and removable parts

## SMALL HOUSEHOLD APPLIANCES

**Packing Material & Container:** Bubble wrap, cloth; sturdy boxes

**Packing Tips:** Wrap appliances, store cables and accessories in separate bags

## BEDDING AND ACCESSORIES

**Packing Material & Container:** Vacuum bags, large bags; soft boxes, bags

**Packing Tips:** Keep items dry, use vacuum bags to save space

## CLOTHING

**Packing Material & Container:** Bags, suitcases, garment covers; boxes, hangers with covers

**Packing Tips:** Keep items dry, use vacuum bags to save space

## FAMILY PHOTOS AND DOCUMENTS

**Packing Material & Container:** Paper, sturdy folders, polyethylene; small boxes

**Packing Tips:** Protect from moisture, label boxes

## TOOLS

**Packing Material & Container:** Cloth, paper, bubble wrap; sturdy boxes or crates

**Packing Tips:** Pack sharp items separately, separate power tools

## OUTDOOR EQUIPMENT

**Packing Material & Container:** Bubble wrap, cloth; large boxes, bags

**Packing Tips:** Disassemble large items, protect sharp edges

## FOOD

**Packing Material & Container:** Paper, polyethylene; medium-sized boxes

**Packing Tips:** Pack fragile food in separate boxes; do not store perishable food without refrigeration

## BOOKS AND DOCUMENTS

**Packing Material & Container:** Paper for filling empty spaces; small boxes

**Packing Tips:** Avoid making boxes too heavy, fill empty spaces

## ELECTRONICS

**Packing Material & Container:** Bubble wrap, anti-static bags; original box or sturdy cardboard

**Packing Tips:** Store cables separately and label, avoid pressure

## PAINTINGS AND MIRRORS

**Packing Material & Container:** Bubble wrap, cardboard corner protectors; vertical boxes, special covers

**Packing Tips:** Protect corners, transport vertically

## JEWELRY AND VALUABLE ITEMS

**Packing Material & Container:** Soft cloth; small boxes, safes

**Packing Tips:** Transport personally, avoid large boxes

## SPORTS EQUIPMENT

**Packing Material & Container:** Cloth, bubble wrap; special covers, boxes

**Packing Tips:** Disassemble large parts, protect moving elements

## TOYS AND CHILDREN'S ITEMS

**Packing Material & Container:** Bags, cloth; containers, boxes

**Packing Tips:** Store small parts in separate containers; soft toys can be vacuum-packed
